## REPORT

The Women Empowerment Day was successfully completed. The celebration was conducted in Seminar Hall (E block) from 10.00 am - 12.00 pm. The speaker was Inspector P.I. Dhome. All Female student and staff were present.

### Objectives

- Women empowerment is the need of the hour because it is high time we value and credit the women for their contribution and help them grow.
- There should not be a set notion that girls cannot play a certain sport like basketball because it's a man's game which is very regressive and wrong.
- There are so many women who are reduced to just being fit to work in the kitchen and not outside homes.
- These gender-defined roles are so narrow-minded and do not comply with modern times, where women are actually doing equally and better than men.
- We have to be broad-minded and accept women as our equals and not someone subversive.
- If anything women are selfless by heart and wiser in nature and stronger because of the experiences they have.
- When women are treated with respect and equality and paid deservedly they lift up economies.
- Giving an education is the right start, it will make them independent and self-sufficient and an opinion to voice about their world views which are empowering.
