

6.2.3- Implementation of e-governance in areas of operations:

E-Governance area	New - Details
Administration	CleverGround software was used since 2021-22. ERP software was implemented by CleverGround Technologies PVT LTD. Support of ERP is taken for Establishment section, Student support and other section. For enrichment in administration the institute always tries to make continuous efforts for paperless administrative and official work. This helps to easy and quick access of documents. Student's data is enrolled in this software. It is accessible both by desktop as well as from mobile.
Finance and Accounts	Tally software was used since 2020. Support of ERP software is also taken. Software is also used to keep the track of records, financial as well as auditing work also. Management representatives checks, verifies and guides finance and accounts section time to time. Transparency is always maintain for all the payments done online or through cheques.
Student Admission and Support	Support of CleverGround App used since 2021 helps to record Student's attendance. Attendance can be monitored by parents directly through this app or through the messages. Also all the subject's academic material like notes, assignments, question papers are uploaded by teacher in the CleverGround App. Teaching faculty also maintain Student's WhatsApp Group for updating academic and administrative record.
Examination	Required College infrastructure, human resources, software labs are well-equipped to conduct the SPPU university examination either online or offline mode. Term work, Insem, External oral/practical marks are uploaded on SPPU internal marks entry, online portal from college. Software is used to do the result analysis of every semester.
