## CIRCULAR

Date: 21-06-2021

Environmental issues are nowadays becoming a global and local concern. It is also being found that college campuses are often the source of enormous amount of plastic pollution. With the goal to make our college a **Plastic Free Campus**, awareness banners have been displayed at different locations of our college.

Considering the facts, all faculty members and students are hereby informed that use of plastic bags with more than 40 microns within the campus are banned from today onwards.

All are requested to be a part of the awareness campaign.

## Ban on use of Plastic

Sustaining cleanliness is the essential part of healthy living because it is hygiene and helps us to develop our personality by keeping us clean externally and internally. So college decided to go “plastic free zone in the campus” to create awareness among the community as whole to stop the pollution and leave behind a green and pollution free place for our future generations.

## Green Landscaping with Trees and Plants

As per the green practices followed in the campus, G.S. Moze college is consistently contributing towards planting more trees within and outside the campus. Herbal plants, fruit bearing trees, flowering plants and ornamental plants have been planted to clean the atmosphere. The campus is beautifully landscaped with trees and plants in the available space. A rich variety of flora and fauna predominates the natural landscape of the campus.
