## Green Activity Program

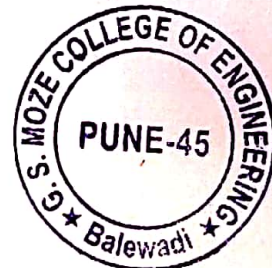

Date - 09/12/21

Venue - Genba Sopanrao Moze College Of Engg.( Balewadi),Pune-45

Time - 7.00 AM

### Objective-

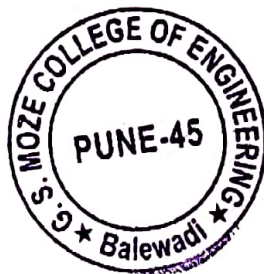

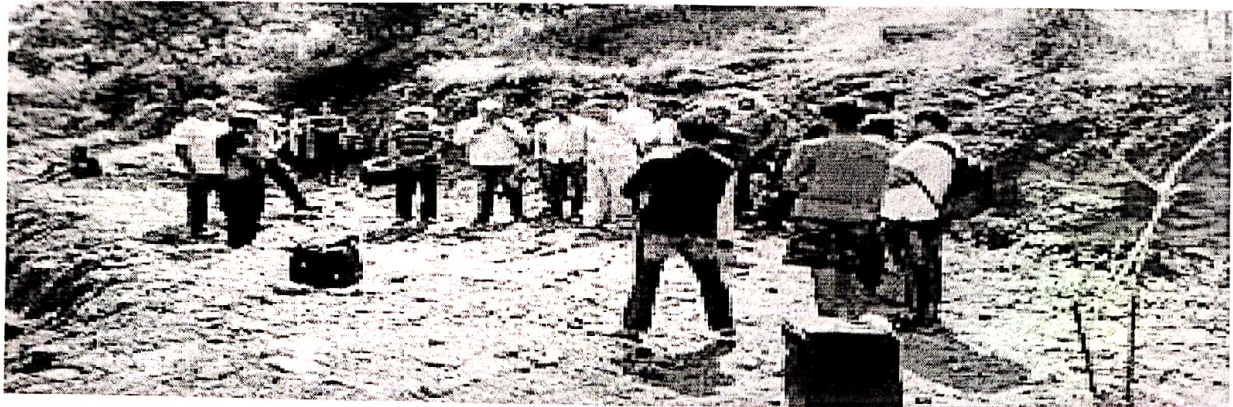

1. Start a family “go-green fund.” Review your previous water, gas and electric bills. Motivate the family to use fewer of these resources by tracking the savings together. Spend the money you save on a fun, family activity.
2. Create your own wrapping paper or gift bags out of magazines, scrap cloth or newspaper.
3. Make it a contest. Give everyone their own trashcan for a weekend, and the family member who creates the least amount of trash wins!
4. Plant trees together.
5. Adopt a road or park, and pick up litter.
6. Build a compost bin together. Keep a smaller one in your kitchen for easy disposal of food scraps.
7. Plant a garden. Even a small container garden will help save on trips to the store and packaging materials. Make sure to buy low-maintenance plants that don't need lots of water.
